	Kings	Mt. Stewart / Montague	2016	2	170

Notes: Population figures include both adults and children. Estimates were calculated using a variety of sources including *Raber's New American Almanac*, reports by correspondents in *Die Botschaft*, *The Budget*, and *The Diary*, settlement directories, regional newsletters, and settlement informants, and were rounded at the settlement level. The tables include all Amish groups that use horse-and-buggy transportation, but exclude car-driving groups such as the Beachy Amish and Amish Mennonites. The population figures were rounded at the settlement level in these tables; elsewhere on this site, the population figures were rounded at the state level.

Statistics were compiled by Edsel Burdge, Jr., Young Center for Anabaptist and Pietist Studies, Elizabethtown College, in cooperation with Joseph F. Donnermeyer, School of Environment and Natural Resources, The Ohio State University, and with assistance from David Luthy, Heritage Historical Library, Aylmer, Ontario.
