**Note:** Settlement and district statistics were updated as of June 2020. Population figures include both adults and children. Estimates were calculated using a variety of sources including Raber's *New American Almanac*, reports by correspondents in *Die Botschaft*, *The Budget*, and *The Diary*, settlement directories, regional newsletters, and settlement informants. The table includes all Amish groups that use horse-and-buggy transportation, but excludes car-driving groups such as the Beachy Amish and Amish Mennonites.
