Notes:

Settlement and district statistics were updated in 2023. Population estimates, which include both adults and children, were calculated using a variety of sources including *Raber's New American Almanac*, reports by correspondents in *Die Botschaft*, *The Budget*, and *The Diary*, settlement directories, regional newsletters, and settlement informants. The table includes all Amish groups that use horse-and-buggy transportation but excludes car-driving groups such as the Beachy Amish and Amish Mennonites.
